Student Engagement

Type of Engagement	Purpose and Anything to Report
<i>Speaking with Students on Campus</i>	Over the past week, during the ULSL elections, I spoke with many students on issues in UL. The main issues raised were lack of transparency by Student Life, where most students do not know what they are being represented for and advocacy, as some students do not/did not know who to go to for any issues – most of these issues that students are facing currently, are being tackled by Student Life.
