# Goals

Main Goals	Progress (What have you achieved since the last Council Meeting)
<i>Networking Night</i>	Successfully ran a C&S Networking Night. There was pizza and drinks for all who attended and Clubs and Societies were able to interact, network and engage with one another
<i>Working Day</i>	C&S Exec had a working day on Wednesday 6 <sup>th</sup> where we met with a prospective society to give them advice, discussed the foreign trips policy, and worked more on the C&S financing issue we outlined previously

# Other Achievements

Achievement	Details of Achievement

<p><i>Foreign Trips Proposals</i></p>	<p>It came to our attention that many foreign trips are proposed not on the official C&amp;S template. Others use the template but are unable to execute their plan very clearly. Due to this we have reestablished the official C&amp;S template in order to make it easier for executive to understand the proposed trips and subsequently pass or deny trips</p>
<p><i>Journal of Proceedings</i></p>	<p>Reevaluating old minutes from C&amp;S Council to ensure that everything is up to date</p>

## Student Engagement

<b>Type of Engagement</b>	<b>Purpose and Anything to Report</b>
<b><i>Networking Night</i></b>	Almost 200 people attended C&S Council in Week 9 – this engagement isn't usual for council. Most went for the Networking night that was hosted afterwards.
