

**UL STUDENT LIFE  
STUDENT EXECUTIVE COMMITTEE REPORT**

<b>Role / Position</b>		: Societies Officer
<b>Author</b>		: Jeremy Pili
<b>Date</b>		: 24 February 2022
<b>Audience</b>		: UL Student Council
<b>Action</b>		: Update & Opinion
<b>Goals</b>		
<b>Main Goals</b>	<b>Progress since the last Council meeting</b>	
Societies-Wide Communication	Continuing to monitor and interact with the Societies WhatsApp group, engagement remains relatively high, especially in regard to society-wide issues; e.g. banking, awards. Looking to receive event news to promote in future.	
Public Relations Supports for all C&S	Agreement was reached about branding for competitive vs. casual gear, continuing to push for resource availability for PR Officers; high-quality logos, template layouts etc. In a time where students are fairly unaware of the events and benefits surrounding C&S as a whole, ensuring committees have the tools & knowledge available to expand their visibility is a must-have.	
<b>Other Achievements since last Council</b>		
Special Applications Processing	Reviewed and approved incoming applications, all proposals were reasonable and had no issues associated with their structure.
